

CSS-300

STRAIGHT CYMBAL STAND

The **300 series** was created for those who need affordable hardware without sacrificing quality. Soundsation has thought about beginner drummers who study and play at home or in the rehearsal room, offering this series at an affordable cost but built on the same principles as the professional series.

CSS-300 is equipped with double-braced legs so as to ensure stability even with the largest and heaviest cymbals.
