# 49-KEY MINI-SIZE PORTABLE ARRANGER KEYBOARD + BAG

The Medeli MK49 mini-size arranger keyboard comes with a selection of the standard sounds and musical content from the MK series, full orchestral accompaniment and newly designed touch-sensitive mini keys.

The Accompaniment Style mode on the MK49 features Medeli's original AutoChord automatic chord change feature, making it easy to use musical accompaniment even if you're just starting out.

The MK49 keyboard is equipped with many functions normally found in larger keyboards.

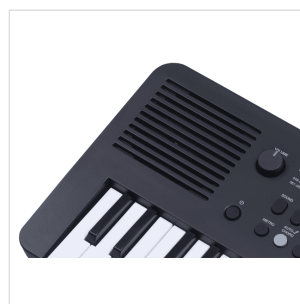

The wide range of sounds, styles and songs present in this keyboard allow you to play and have fun with countless musical genres.

The carefully designed and optimized acoustic sound system on the MK49 will surprise you with its rich and deep sound quality.

The built-in USB-Audio converter allows for easy recording by simply plugging the MK49 into your computer or mobile device.

The musical contents, the functions, the versatility, the compactness and the possibility of battery operation make this keyboard an instrument oriented to learning and school use.

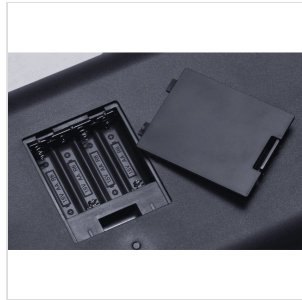

This bundle includes a carrying bag for easy transport
