HIGHLIGHTS

WORKS WITH VARIOUS DJ APPLICATIONS

The DDJ-FLX2 works with a number of DJ applications, including rekordbox and djay – popular choices among both beginners and professionals. After installing your preferred app on your mobile device, you can connect to the controller and start DJing right away. If you want to challenge yourself to learn more advanced techniques, you can use DJ software, such as Serato DJ Lite, on your PC/Mac
Compatible DJ applications:

SUPPORTS MUSIC STREAMING SERVICES

You can DJ with tracks from music streaming services to suit the the music and DJ style you want to play. The DDJ-FLX2 supports Beatport Streaming, Beatsource Streaming, SoundCloud Go+/DJ, and TIDAL. If you use the djay software/app, you can access Apple Music too.

*Please note that the available music streaming services may vary depending on your DJ application and geographical location.Compatible music streaming services: Apple Music, Beatport Streming, Beatsource Streming, SoundCloud Go+/DJ, TIDAL

DDJ-FLX2
COMPACT 2-CHANNEL DJ CONTROLLER

EASY ON YOUR SMARTPHONE, PROFESSIONAL ON YOUR PC/MAC

You can DJ with your favorite device, whether that's a smartphone, tablet, or PC/Mac. You don't need to buy a new device just for DJing.

MIX SUPPORT FUNCTIONS

It's easy to replicate the seamless song mixing of professional DJs thanks to the Smart CFX* and Smart Fader* features on the DDJ-FLX2.

Smart CFX, used with the Performance Pads, enables you to recreate complex and dynamic effect techniques. Smart Fader automatically optimizes control of the volume, BPM, and bass, so you can perform perfect mixes with by simply sliding the crossfader.

*Function names and operations may vary depending on your DJ application.

DDJ-FLX2
COMPACT 2-CHANNEL DJ CONTROLLER

LIGHTWEIGHT, COMPACT BODY WITH USER-FRIENDLY FEATURES

The DDJ-FLX2 is our lightest and most compact DJ controller. It runs on USB bus power, so there's no need for an external power supply when you connect it to a PC/Mac or a mobile device[*] via USB Type-C. You can start DJing easily by playing music through the built-in speakers of your PC/Mac/mobile device. Or, if you plug speakers into the audio output terminals of the DDJ-FLX2, you can throw a loud party with friends.

*Except for some Android devices.
