HELLO KITTY® FUZZ

Say hello to the vibrant world of Hello Kitty with the Fender® x Hello Kitty® collection, celebrating an iconic collaboration that transcends generations. This collection merges the supercute and colorful aesthetic of Hello Kitty with the road-reliable excellence of Fender gear, delivering unparalleled performance and stylish flair. Rock out with your instrument in playful style and let Hello Kitty join you on your musical journey!

A fun-loving fuzz like no other – the Fender x Hello Kitty Fuzz introduces a pop of color and charm to one of the pedal world's most formative effects. Sporting an opamp based circuit with three simple controls, this pink-clad pedal kicks your guitar into woolly, splattering gain tones with unmistakable character. Use the fuzz knob to cover a wide range of flavors from overdrive-like grit to full on ripping fuzz. Added style points come in the form of a stand-out pink finish, white Fender witch hat knobs, Japanese translated labels and, of course, Hello Kitty herself making an appearance on the front panel. Steal the spotlight with unique tone and make new friends as they peep your pedal board to catch a look at this one-of-a-kind fuzz pedal.
