

## CDP5200-BK **BLACK FINISH DIGITAL PIANO WITH MARS TECHNOLOGY AND HAMMER ACTION.**

---

The Medeli CDP 5200 BK digital piano is a compact console consisting of 500 voices, 210 styles and 70 tracks, with an album of 120 popular songs with presets. A wide selection of styles from beat rock to tango is possible. CDP 5200 BK offers a platform to your favorite musical performances with accompaniment. Guitar / piano accompaniments are available in different shapes. Direct selection for styles and tracks on the panel allows easy access during the performances and the backlit LCD display allows you to see the settings well. . The "Twinova" function intelligently splits the keyboard into two sections for pianists who play duets simultaneously. Two headphone outputs allow two pianists to play in silence at the same time sitting next to each other. the Medeli CDP 5200 BK digital piano allows connection to any PC or laptop via the USB cable to access many compatible MIDI software.
