STANDARD SERIES JAZZ BASS® FRETLESS NECK, PAU FERRO

Crafted at our Ensenada, Mexico manufacturing facility, this genuine Fender® fretless Jazz Bass® neck features a comfortable "C"-shaped profile and 9.5"-radius pau ferro fingerboard.

The synthetic bone nut is pre-slotted with "pilot" grooves for accurate spacing when filing the final string slots. This replacement neck is the perfect way to give your J Bass® authentic Fender feel.
