

DM-40D-W

## 4" DESKTOP MONITOR SYSTEM WHITE

The compact DM-40 desktop monitors bring excellent audio quality to your home setup. They inherit the best from our professional S-DJX series and Pro Audio speakers, including a front-loaded bass reflex system for a rich, tight bass and DECO\* technology for a wider reach and sweet spot.

All these features are combined in a compact design making the DM-40 the perfect match for DJing, producing and simply enjoying music at home.

The DM-40 speakers are sold as a pair.
