5 PCS COMPLETE DRUMKIT WITH 22" BASS DRUM AND REMO HEADS

Peace's goal with Vulcanian series is to offer the best possible drumkit for dedicated students. A drumkit that won't sacrifice essential features such as sound quality and materials. Featuring all Mahogany shells an 8 lug 9 ply snare drum, it's equipped with DA-277 tom mounting system to allow precise tom placement in all directions and great stability. The kit is available in 3 different shells configurations with 22", 20" and 18" bass drum, to fit all styles and needs. Coming with REMO heads, brass cymbals and double braced hardware, the Vulcanian is the kit that your teacher would recommend.
