

DP-460K

UPRIGHT DIGITAL PIANO WITH 88-KEYS "HAMMER ACTION" KEYBOARD AND 256 NOTES OF POLYPHONY.

DP460K is equipped with a processor capable of handling 256 notes of polyphony and capturing every note in any way you play such as four hands using the Twin Piano mode and also using the pedal in an important way while playing a song of high difficulty. All playback may be recorded as an audio file on the external USB drive for easy access and sharing on your computer. A USB audio interface allows the piano to be connected to any mobile device and become a complete stereo system player. The DP460K also offers a deep and rich expressive sound with a powerful 25W amplifier, which allows the player to quickly emerge in the surrounding environment. Equipped with the new K8 keyboard, the DP460K offers a real piano touch thanks its key ivory finish, three contact points with sensor to faithfully reproduce the expressiveness of the musician and a special hammer system that recreates the feeling of an acoustic piano. Even the DP460K has been designed so that its elegance becomes an added value of any furniture.
