

DJC-SC2

# DDJ-SR2 DJ CONTROLLER BAG

---

A DJ controller bag that includes controller protective cushion to prevent damages from vibrations and shocks, made of raised material to protect the controller from scratches. Two pockets are provided on the front of the bag for storage of headphones, cables, tablet devices and other items required by DJs. The bag can be carried in three different styles: as a handbag (vertically and horizontally), or as a backpack.
