

MD-1410AM

PARADE SERIES ALUMINUM SNARE 14" X 10"

Incorporating elements of Peace's Batterie Aluminum Artillery snare drums, the MD-1410 has aluminum shells that shout with a tight, dry tone. Fitted with high-tension Deus tube lugs for precise and slip-free tuning, the drum comes with die-cast hoops. Adaptable to Peace's marching snare carriers, this drum stands up to the elements with non-corrosive components for longevity.
