PICKUP FENDER VINTERA '60S MODIFIED STRATOCASTER® PICKUP SET

Revoiced for hotter output and modern tones, while retaining the bell-like chime that put the Strat® on the map – the Vintera Modified 60s Stratocaster® single-coil pickup set has the power and articulation you need for any style of music.

Featuring vintage-inspired appointments – including enamel-coated magnet wire and staggered alnico pole pieces – and the balanced high-output players love, this pickup set delivers the perfect blend of vintage Strat tone and modern performance.

PRODUCT DETAILS

KEY FEATURES

Enamel-coated magnet wire

Staggered pole pieces for balanced output

Reverse-wound/reverse-polarity middle pickup to eliminate hum

Non beveled alnico 5 magnets for more focus and dynamics

Wound and calibrated for each position
