

EJ44

PRO-ARTE NYLON CLASSICAL GUITAR STRINGS, EXTRA HARD TENSION

Pro-Arte, the world's most popular classical strings are D'Addario's premium classical guitar string sets. All Pro-Arte treble strings are sorted by a sophisticated computer-controlled laser machine which performs diameter and tension measurements, ensuring true-sounding, precise trebles in every set. Pro-Arte basses are wound using silver-plated copper on a multi-filament nylon core for consistent and warm, yet projecting tone. EJ44, extra hard tension, is optimal for maximum string resistance and projection without compromising tone.

PRODUCT DETAILS

KEY FEATURES

Extra Hard tension for maximum volume and resistance

Laser sorted clear nylon treble strings for consistent, precise intonation

Precision wound silver-plated basses for warm, projecting tone and the utmost consistency

Made in the U.S.A. for the highest quality and performance

String Gauges: Trebles .0290, .0333, .0416 Basses .030, .036, .045

Environmentally friendly, corrosion resistant packaging for strings that are always fresh
