

973CH SKYLIGHT HARDWARE PACK

A complete drum Hardware in less than 8 Kg? Yes, it's possible! In the last year the request of a light and easy-transportable hardware pushed Peace to create something new. After a long research now the FLat Hardware SKYLIGHT it's ready. Taking a concept from the 60s and 70s and developing it Peace makes this ultralight, stable and stilish product that comes with his own Gig-bag and weights less than 8 Kg!
