

GA46L

# K-GEAR GA46 4X1500W AMPLIFIER

<p>Compact 4-ch high efficiency amplifier featuring Powersoft DSP and power module. Designed for high performance applications both for rental and permanent installations such as touring, large auditoriums, stadiums, theme parks and clubs. This amplifier can also drive 70V-100V lines without any additional transformer or settings.</p>

<p>Thanks to its modular design, 3 elements of GA46 can fit into 2 rack units with a dedicated adapter. </p>
