

DHE-104-025010

10" COATED DRUMHEAD

The Peace's drumheads series has been created with the aim to obtain an amazing product for a competitive price. The range is composed by Coated, Clear and Black series with all the diameters. Peace decides not to print the brand on the heads giving the possibility to the customer (dealers, artisan, Vintage restores, etc.) to customize the products with their company logo.
