

H313M 4/4

HELICORE SERIES VIOLIN SINGLE D STRING, 4/4 SCALE, MEDIUM TENSION

Helicore violin strings are crafted with a multi-stranded steel core, resulting in optimal playability while producing a clear, warm tone. The smaller string diameter provides quick bow response. Premium quality materials combined with skilled workmanship produces strings known for excellent pitch stability and longevity. Scaled to fit 4/4 size violin with a playing length of 13 inches (328mm), these medium tension strings are optimized to the needs of a majority of players. The D string is in titanium wound. Packaged in uniquely-designed sealed pouches providing unparalleled protection from the elements that cause corrosion.
