BASS & OFFSET MINI STAND

Lightweight and compact, the Fender Bass & Offset Mini Stand was designed with the bass and offset guitar player in mind and folds down to fit in most gig bags or cases. The stand features independently adjustable lower yoke arms to firmly hold your offset guitar or bass and a telescoping neck rest to provide adjustable support for bass guitars. Take it on the road or use it in your home and studio—the Fender Mini Stand is versatile enough to securely showcase your instrument in any performance situation.
