

J68

UKULELE STRINGS, BARITONE

D'Addario ukulele sets are available in a wide variety of gauges for all popular ukulele instrument sizes and tunings. Each set is made from the finest quality nylon, aluminum and silver-plated copper materials ensuring optimal tone and absolutely perfect intonation, set after set. D'Addario J68 strings are designed specifically for baritone ukuleles. The 3rd and 4th string are a silver-plated copper wound on nylon complimented by a 1st and 2nd string which are made from our clear precision rectified nylon. Rectified nylons are created utilizing our proprietary center-less grinding technique which ensures that the roundness and dimension control of each string are of unsurpassed quality. This set is optimized for usage with standard DGBE tuning.
