

H412LM 4/4

HELICORE SERIES VIOLA SINGLE D STRING, LONG SCALE, MEDIUM TENSION

Helicore viola strings are crafted with a multi-stranded steel core, resulting in optimal playability while producing a clear, warm tone. The smaller string diameter provides quick bow response. Premium quality materials combined with skilled workmanship produces strings known for excellent pitch stability and longevity. Sized to fit long-scale viola (body length 16-16 1/2 inches) with a playing length of 15 inches (380mm), these medium tension strings are optimized to the needs of a majority of players. The D String is in Titanium Wound. Packaged in uniquely-designed sealed pouches providing unparalleled protection from the elements that cause corrosion.

PRODUCT DETAILS
