

DM-40-W

## 4-INCH COMPACT ACTIVE MONITOR SPEAKER WHITE (PAIR)

The compact DM-40 desktop monitors bring excellent audio quality to your home setup. They inherit the best from our professional S-DJX series and Pro Audio speakers, including a front-loaded bass reflex system for a rich, tight bass and DECO\* technology for a wider reach and sweet spot. All these features are combined in a compact design making the DM-40 the perfect match for DJing, producing and simply enjoying music at home.\* Diffusion Effectual Convexity by Olson
