

EPS220-5

5-STRING PROSTEELS BASS GUITAR STRINGS, SUPER LIGHT, 40-125, LONG SCALE

ProSteels are D'Addario's brightest and most magnetic bass strings. A specialized steel alloy delivers harmonically rich, brilliant high-end coupled with deep, tight lows that work in tandem to create the coveted "Piano tone" steel players crave. Great for both articulate fingering or aggressive picking, ProSteels give you the extra edge and punch you need to cut through the mix. D'Addario EPS220-5 is a 5-string version of our popular EPS220 set. With the addition of the .125 low B string, this set offers more flexibility for players than a standard bass set while still maintaining the distinctive combination of biting high end, punchy lows and super long life found in ProSteels. Fits long scale basses with a string scale length of up to 36 1/4 inches.
