

EJ65S

UKULELE STRINGS, SOPRANO

D'Addario ukulele sets are available in a wide variety of gauges for all popular ukulele instrument sizes and tunings. Each set is made from the finest quality nylon, aluminum and silver-plated copper materials ensuring optimal tone and absolutely perfect intonation, set after set. D'Addario J65 strings are designed for use with soprano ukuleles. Each string is made from our clear precision rectified nylon utilizing our proprietary center-less grinding technique which ensures that the roundness and dimension control of each string are unsurpassed. The result is a ukulele set with a warm and long lasting tone guaranteed to have absolutely perfect intonation each time. This set is optimized for usage with traditional ADF#B tuning.
