

SR2435 EB 3,5 SAXOPHONE BARITONE REEDS TRADIZIONAL PACK 5PCS

This reed is designed to produce a quality of extremely pure sound due to a very thin reed tip (the area of reed with maximum vibration), balanced by a solid vertebral column (more cane in the area which climbs gradually to the heel).Traditionals feature the thinnest tip with the hickest heart, resulting in crisp articulation with a full, dark sound.
