

EZ940

85/15 12-STRING BRONZE ACOUSTIC GUITAR STRINGS, LIGHT, 10-47

85/15 Bronze combines the brilliance of 80/20 bronze with the longer life characteristics of Phosphor Bronze. The 85/15 Bronze wrap wire is precision wound onto a carefully drawn, hexagonally shaped high carbon steel core, resulting in long lasting, bright sounding tone with excellent intonation. EZ940 light gauge strings are ideal for players who prefer a softer tone and easy bending. Designed for all makes and models of 12-string acoustic guitars.

PRODUCT DETAILS
