

P3-1022-ES-

POWERSTROKE®3 EBONY 22" DRUMHEAD

The Ebony® Powerstroke® 3 features a thin underlay at the outer edge of the head to subtly dampen unwanted overtones. Ebony® P3 heads are best known for use as a resonant bass drum head. This creates perfect balance of mid and low tones that has quickly made Ebony® Powerstroke® 3 one of Remo's most preferred resonant bass drumheads.
