

24JAZZYTIN

24 JAZZY TONES PLECTRUMS SET

24 Jazzy Tones plectrums, modelled on the classic 'Jazz III' shape, although ours are 2mm thick with a chamfer to the tip on both sides and manufactured from coloured Bone, Horn & mother of pearl. They are designed for fast accurate picking. Box in anodized metal. The most amazing gift for the Jazz Guitarist in your life.
