DIPLOMAT COATED 12" DRUMHEAD

The coated drumhead is slightly warmer than clear heads. They're known for their bright warm tones, resonance, and sustain. Coated heads are best known as batter and resonant heads warming up the sound of tom-toms and bass drums. The Coated Diplomat® is slightly warmer than the Clear Diplomat® due to a coated single layer of 7.5-mil Mylar® film. They're known for their bright warm tones, resonance, and sustain. Coated Diplomat® heads are best known for accentuating snare drum response.
