

**4LEDKIT-DJ****7X3W LED TRICOLOR 4-PAR LIGHTING KIT**

SOUNDSATION 4LEDKIT-DJ brings you a complete light system including all accessories in only one package. It is the smartest solution for all musicians, DJs, and small rental companies. It comes complete with 4 compact LED spots. Each spot contains 7pcs 3Watt RGB 3in1 LEDs in order to create a complete color palette. The spots are mounted on a T-bar which has a built-in controller unit. The T-bar can be controlled by the included pedal-board or by DMX. In addition to RGB color adjustment of all four PARs independently, the unit features 16 color change auto programs strobo and sound control, to let your lighting kit create wonderful effects even without a DMX controller.
