

ECB80

BASS GUITAR STRINGS, LIGHT, 40-95, LONG SCALE

D'Addario Chromes Bass strings are wound with flattened stainless steel ribbon wire which is polished to an incredibly smooth surface. Delivering a distinctive damped, but tone-rich sound that only flatwounds can produce, D'Addario Chromes are the world's most popular flatwound strings. ECB80, D'Addario's lightest Flatwound bass strings, are known for their warm, mellow tone and smooth polished feel. Chromes deliver a deep, rich low bottom end which makes them the flat wound choice of Jazz, R&B and Pop musicians. Fits long scale basses with a string scale length of up to 36 1/4 inches.

100 YEARS OF PROGRESS ENGINEERING

CORROSION
 YOU PRESERVE THINGS THAT CAN GO ON THE DISTANCE. YOU PROTECT THINGS THAT ARE THERE & YOU INSIDE TO MAKE GOOD PERFORMANCE.

HEAR THE INCREDIBLE WARM TONES
