# AMERICAN SERIES GUITAR BRIDGE SECTIONS (6 SADDLES) (SATIN)

Made from the highest-quality material, Fender® bridge sections come with springs and screws (except where noted).

Set of six powder-coated steel bridge sections with offset intonation screws. Intonation springs and screws included.

Fits American and American Standard Series (USA) models manufactured from '86-'07. Saddles will not retrofit to a vintage-style bridge plate due to the offset intonation screw design.

## PRODUCT DETAILS

### KEY FEATURES

Set of six plated steel bridge saddles with offset intonation screws

Intonation springs and mounting hardware included

For American and American Standard series guitars (1986-2007)
