ZOMO FLIGHTCASE P-DDJ-FLX10 NSE

030103425 sound or type u

The Zomo Flightcase P-DDJ-FLX10 NSE was specifically designed for the **Pioneer DJ DDJ-FLX10** DJ Controller. The Flightcase in the appealing **NSE (= Night Style Edition)** fascinates thanks to the **dark black look**. This stylish Flightcase is **extremely sturdy** to withstand the demanding DJ use without any damage.

Thanks to the **extra strong, black-painted aluminum profiles** and the **extra solid ball corners**, the Zomo Flightcase offers **high durability**. To prevent the DJ controller from slipping, the DDJ-FLX10 Equipment Case is equipped with **high-quality internal padding** that protects the device from any negative impacts.

Thanks to the **sturdy, laminated 9mm plywood**, the Flightcase **P-DDJ-FLX10 NSE** Equipment Case is highly scratch and impact resistant. Designed for challenging tour use, Zomo Equipment Cases are exceptionally road and flight-ready, safeguarding your valuable DJ gear from damage.

The front strip can be easily and quickly removed during performances, even **while the equipment** remains in the **flightcase**.

In addition to its **professional quality**, the classic design in the **dark black NSE (= Night Style Edition)** makes the Pioneer DJ Equipment Case an absolute **eye-catcher!** The ingenious **butterfly latches** allow for easy opening and closing and ensure a highly stable lid closure. All NSE Equipment Cases can also be locked with an **optional** lock.
