

JAZZ-ROOT P JGR

# DOUBLE CUTAWAY SEMI-ACOUSTIC GUITAR W/SINGLE COILS

---

With the **JAZZ ROOT** series Soundsation takes us back to the sound and feel of the **semi-hollow body** guitars that have written some of the best pages in music history. Quality craftsmanship, hi-level **made in Korea** hardware and careful set-up for guitars conceived to satisfy even the most advanced guitarist.

Available in two versions: **JAZZ ROOT H** in maple with **humbuckers** and **JAZZ ROOT P** in sapele with **single coils**.

## HIGHLIGHTS

---

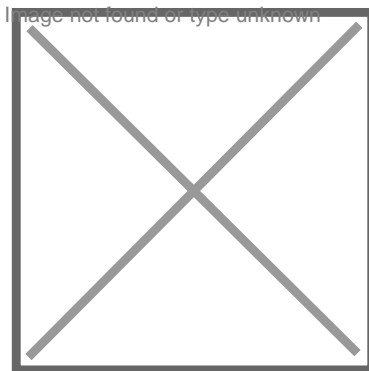

### FAR BEYOND THE ENTRY LEVEL

Liuthery, details and tone: JAZZ ROOT brings them all together in a high-value instrument designed to satisfy intermediate and more experienced players.

### DOUBLE STOPS? IN THE RIGHT SPOT!

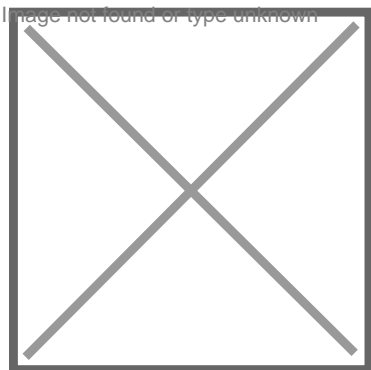

The two Soundsation Custom SCP P-Style single coils in synergy with the independent volume/tone controls and 3-position switch give you a brilliant, dynamic tone perfect when you are eager to venture in double stops territory.
