## PRODUCT DETAILS

### KEY FEATURES

**LUBRI COAT:** With a "Solid Lubrication Coat", regular oil has been eliminated keeping the lubrication where it is needed for the life of the tuning machine heads. It is now enhanced with a GOTOH original anti-transformable lubrication oil and this reduces the friction between the gears resulting in an ultra smooth feel, minimal back lash and unrivalled tuning stability.

**ROCK SOLID:** Anchoring system developed by Gotoh that prevents movements outside the central axis of the pin, thereby promoting a greater stability of tuning.

### SPECIFICATIONS

<b>Finishes</b>	Cosmo Black
<b>Installation</b>	L6
<b>Gear ratio</b>	1:16
<b>Weight</b>	36.0g/pcs
<b>Button</b>	07 CK
