SG381-07-C-R6

# ELECTRIC GUITAR MACHINE HEADS SET, R6, CHROME

## PRODUCT DETAILS

### KEY FEATURES

**LUBRI COAT:** With a "Solid Luburication Coat", reguler oil has been eliminated keeping the lubrication where it is needed for the life of the tuning machine heads. it is now enhanced with a GOTOH original anti-transformable lubrication oil and this reduces the friction between the gears resulting an ultra smooth feel minimal back lash and unrivalled tuning stability.

**ROCK SOLID:** Anchoring system developed by Gotoh that prevents movements outside the central axis of the pin thereby promoting a greater stability of tuning.

### SPECIFICATIONS

|                     |           |
|---------------------|-----------|
| <b>Finishes</b>     | Chrome    |
| <b>Installation</b> | R6        |
| <b>Gear ratio</b>   | 1:16      |
