

LCT040MATCH

# CONDENSER MICROPHONE FOR INSTRUMENT RECORDINGS WITH EXCELLENT SOUND

The LCT 040 MATCH delivers drum and acoustic guitar recordings with excellent sound. The true character of guitars, drums, and percussion is within the transients. The LCT 040 MATCH has excellent transient response to retain the natural musicality of your acoustic instruments. It captures the very essence of your performance. We tailored the small diaphragm capsule to provide you with a professionally refined sound, right from the moment you hit the "record" button; well-balanced and with a pleasant high-end.
