STANDARD SERIES TELECASTER® NECK, 21 MEDIUM JUMBO FRETS, PAU FERRO

Crafted at our Ensenada, Mexico manufacturing facility, this genuine Fender® Telecaster® neck features a comfortable "C"-shaped profile and 9.5"-radius pau ferro fingerboard with 21 medium jumbo frets.

The synthetic bone nut is pre-slotted with "pilot" grooves for accurate spacing when filing the final string slots. This replacement neck is the perfect way to give your Tele® authentic Fender feel.
