

## MTP 440 DM DYNAMIC PERFORMANCE MICROPHONE

The MTP 440 DM is an exceptionally versatile, precision-engineered cardioid dynamic microphone ideally suited for upscale live sound and studio recording applications. Featuring a high-performance capsule which delivers a remarkably bright and lively sound, the MTP 440 is perfect for miking drums, percussion instruments, other acoustic instruments and vocals.

The MTP 440's cardioid pattern ensures perfect off-axis rejection and exceptionally high gain before feedback. Unwanted reflections or background noise are effectively suppressed. High-quality components and rugged construction make it a number one choice for touring professionals and artists around the globe.
