

LOOP CORE DELUXE BUNDLE

LOOP CORE DELUXE + NMP2 LITE DUAL FOOTSWITCH

LOOP CORE DELUXE BUNDLE

With the upgraded hardware, the new Loop Core Deluxe allows you to record loop phrases up to 8 hours with unlimited layers in 24-bit high resolution audio quality into 99 internal memories. Nothing feels better than playing your guitar along with realistic drum rhythms. Loop Core Deluxe's all-new drum machine comes with 40 different drum rhythms (30 in 4/4, 10 in 3/4) covering different styles of genres including rock, pop, blues, jazz and much more.

Connect your Loop Core Deluxe to your PC/Mac with Mini-B USB connector to import available loop phrases or to back up yours. To ensure the exact tone you desire, Loop Core Deluxe is designed with frequency compensation for drums and a cabinet simulator for using stereo output to a mixer.

LOOP CORE BUNDLE includes additional NMP-2 Lite DUAL Footswitch. Absolutely, the easiest way to switch between loop phrases. Your recordings for verse, chorus, and bridge parts, can now be seamlessly accessed w/ a convenient DUAL footswitch.
