

DJRC-MULTI1

VERSATILE PROTECTIVE CASE FOR VARIOUS UNITS

Safely transport and store selected CDJ, DJM, DJS, and XDJ units in this durable, waterproof case that includes several handy features. Stackable and fitted with double throw latches you can open easily, the case also has hand slots so it's a breeze to remove and replace your gear. A cable compartment and space for the plug in the foam insert keep things neat and tidy.
