

ECG25

CHROMES FLAT WOUND ELECTRIC GUITAR STRINGS, LIGHT, 12-52

D'Addario Chromes are wound with flattened stainless steel ribbon wire which is polished to an incredibly smooth surface. Chromes deliver a distinctive damped but tone-rich sound that only flatwounds can produce. D'Addario Chromes are the world's most popular flatwound strings. ECG25, one of D'Addario's best selling flatwound sets, delivers a smooth feel, warm/mellow tone and tighter tension, ideal for traditional jazz playing.
