

BULLET CABLE

IN THE PAST, INFLATED FACTS HAVE DILUTED
THE PURPOSE OF AUDIO CABLE. THEY COULD BE
PERCEIVED AS JUST A WIRE WITH JACKS ON THE ENDS.
WE HAVE SPENT THE LAST 13 YEARS
PROCLAIMING THROUGH OUR ENGINEERING THAT

THERE IS TRUTH IN GOOD AUDIO CABLE DESIGN.

“TO ENHANCE THE MUSIC MAKING EXPERIENCE.”

EVERY PIECE OF GEAR HAS VALUE IN CREATING
OUR PERSONAL MUSIC EXPERIENCE. AS ARTISTS,
OUR MUSICAL MOJO NEEDS TO COME THROUGH
THAT SPEAKER THE WAY WE WANT TO HEAR IT.
